

HOW TO FUND YOUR ACCOUNT

A. HOW TO FUND YOUR ACCOUNT USING A BANK CARD

1. Click on Deposit
2. Select the amount you want to fund, or click on Other if the amount is not listed
3. Click on Visa or Mastercard. Please note: Both options appear in the same box. Selecting Visa also selects Mastercard, and vice versa
4. Click on Submit
5. Click on Card
6. Input your details and click Submit

B. HOW TO FUND YOUR ACCOUNT USING A BANK TRANSFER

1. Click on Deposit
2. Click on Other to input the amount you want to fund if it is not listed. Please note: All amounts and available options should be stated in U.S. dollars and will be converted to Naira accordingly
3. Click on Next
4. Choose a payment method. If funding in Naira, click on Visa
5. Click on Submit
6. Click on Wire Transfer
7. Input the required information and your phone number
8. Click on Edit Billing Info and re-enter your phone number, removing only the plus sign (+)
9. Re-enter your phone number and click Save
10. Click on Deposit
11. Read the instructions, click on I understand these instructions, and then click Continue
12. Copy the account details provided. Note: The account details expire after one hour
